MODIFICATION OF CONTRACT

14a. The purpose of this modification is to formally agree to no cost changes that have been agreed to, but have not been modified into the contract, and to correct an administrative error made in contract modification A0005.

(1) Pursuant to 82 CONS/LGCX Memorandum, dated 23 November 1998, and Raytheon Aerospace Company Memorandum, dated 7 December 1998, Performance Work Statement (PWS) C.6. is modified to update the referenced manuals in PWS C.6, which include instructions, pamphlets, and handouts listed in the PWS section.

(2) Pursuant to the authority stated in FAR 43.103(b), modification A0005, Block14, paragraph "F", the last line in the pages to be deleted and inserted is hereby changed to read:

Pages to be deleted: "TE 8-1 through 8P-410", and pages to be added "TE 8-1 through TE 8P-139".

14b. The following contract pages are to be deleted from the contract and insert the replacement pages attached to this modification, into the contract as indicated below:

DELETE PAGE #
C-6-1 through C-6-15

INSERT PAGE #
C-6-1 through C-6-15

14c. No other changes are either expressed or implied.

SECTION C-6

APPLICABLE PUBLICATIONS, FORMS, AND TECHNICAL ORDERS

6. PUBLICATIONS AND FORMS. Publications, and other directives documents applicable to this work statement are listed below. The directives have been coded as Mandatory (M) and Advisory (A). The contractor shall follow, completely and without deviation, those publications and directives coded as mandatory. The contractor shall follow those publications and directives coded as advisory as necessary to accomplish the intended effect or product contemplated therein. In addition, the contractor shall develop policy directives to implement those advisory publications to the extent necessary to accomplish requirements in this work statement. Any reference to a publication is meant to include the basic and all its supplements and amendments. Supplements or amendments to listed publications from any organizational level may be issued during the life of the contract. The contractor shall immediately implement those changes in publications which result in a decrease or no change in the contract price. Prior to implementing any such mandatory revision, supplement, or amendment that will result in an increase in contract price, the contractor shall submit to the CO a price proposal and obtain the prior approval of the CO. Said price proposal shall be submitted within 30 calendar days from the date the contractor receives notice of the revision, supplement, or amendment giving rise to the increase in cost of performance; however, the CO may direct immediate implementation and waive the prior approval requirement. Negotiation and or increased cost approval may take place during or after implementation at the discretion of the CO. Failure of the contractor to submit a price proposal within 30 calendar days from the date of receipt of any change shall entitle the Government to performance in accordance with such change at no increase in contract price. It is the contractor's responsibility to ensure that all publications are maintained IAW AFI 37-160V1. Forms are referenced in publications and directives.

6.1. TECHNICAL ORDERS. All technical orders (as defined in AFPD 21-3, Section B) applicable to the management and maintenance of trainers, GITAs, and munitions to include aircraft and missiles, engines, and support equipment are mandatory publications. The contractor shall control the technical orders in accordance with TOs 00-5-1 and 00-5-2. Note: Technical Orders are not listed in this section but are incorporated by reference.
